

Whipple Creek Place Homeowners Association

Electronic Communication Consent Form

To keep homeowners informed while operating in a more cost-efficient and environmentally friendly way, the Whipple Creek Place Homeowners Association Board of Directors is encouraging homeowners to adopt email as your preferred mode of communication for Assessment Account Statements, meeting notifications, newsletters, event notices, etc., from the Association.

After providing authorization for electronic communication you can revoke or change your authorization at any time by writing or emailing the Association. Also, the consent is automatically rescinded if the Association is unable to transmit two consecutive emails to the email address on file and you will need to reapply with a new consent form.

Additional copies of this consent form as well as an opt-out form can be found on the Association's website at <http://www.mywhipplecreekplace.com/>.

CONSENT FOR NOTICE BY ELECTRONIC TRANSMISSION

I hereby authorize the Whipple Creek Homeowners Association to use the below email address as my preferred means of receiving communications, instead of through the U. S. Postal Service. I agree that it will be my responsibility to notify the Association of any changes to my email address listed below.
